CERG is committed to managing its volunteers efficiently and effectively. As a volunteer it is important that you are a valued member of a team, and that you have registered your details with CERG. You will need to confirm that you are fit and able to carry out the duties assigned to you. If you do sustain injury or feel unwell whilst carrying out your duties, you should report this to your Zone Leader immediately and they will take any appropriate action.

I understand that this information will be kept by Cockermouth Emergency Response Group (CERG) solely for its own purposes, but may be passed to the Emergency Services during an emergency event. It will be securely held and deleted when no longer required. It can also be destroyed at any time upon request. Please visit www.cerg.org.uk for our privacy statement.
